

TIMELINE

Russian Invasion of Ukraine

NOVEMBER 2021

Russian forces mobilized and were positioned near the Ukrainian border in anticipation for an invasion into mainland Ukraine.

heavy armaments such as tanks and Armored Trucks were moved to the border causing mass panic as it became evident that Russia was going to invade Ukraine

DECEMBER 2021

JANUARY 2022

Russia began to launch a full scale invasion into the Donbas region of Ukraine that quickly escalated into a full scale war in mainland ukraine.

the Biden administration authorizes 350 million dollars to help aid Ukraine. the Biden administration also sends 7,000 military personal to Europe to bolster security within NATO.

FEBRUARY 2022

MARCH 2022

Ukraine starts losing territory and the Russian forces start pushing closer and closer to the capital Kiev. in late March the United states sends 800 million in aid to help the war effort.

Atrocities committed on Ukrainian civilians have been reviled during this time angering the public and talks to charge Russian officials with war crimes begin. during this time the Ukrainian Navy sunk the Moskva which is the flagship of the Russian black sea fleet.

APRIL 2022

MAY 2022

The battle for Mariupol was in full effect. this battle is the bloodiest battle of the war. the inhabiance of this city has been greatly affected with 90% of this city being turned into rubble. the Russian army came out victorious in this battle by completely encircling it and cutting the Ukrainians off from the rest of the army. this battle is one of the most important battles of the war.

the war slowed down during the summer and both armies took this time to recuperate and regain strength. the warfare in Ukraine became reminiscent of the style of warfare fought in WW1 with both sides building trenches and engaging in trench combat .

JUNE 2022

TIMELINE

Russian invasion on Ukraine

JULY
2022

the war was still locked in trench combat which led to very few territorial gains on both sides.

Russia launched a counteroffensive in the south of Ukraine in order to break the costly fighting of trench warfare.

AUGUST
2022

SEPTEMBER
2022

Ukraine forces Russian retreats and recaptures huge swabs of land. As a result of this Putin started calling up reservists and draftees. this lowered moral with Russian troops.

Ukraine blew up the Crimean Bridge which connects Russia to the captured territory of Crimea in Ukraine. this had disastrous effects on the Russian war effort because this bridge acted as one of the bloodlines that allowed Russia to supply its war effort in Ukraine.

OCTOBER
2022

NOVEMBER
2022

Southern Ukraine was liberated after a grueling eight months of Russian occupation where many atrocities were enacted upon Ukrainian civilians by the Russian forces.

During this time President Zelinsky visited the white house and announced that the united states were going to send them two Billion dollars in aid to help fight the war.

DECEMBER
2022

JANUARY
2023

Multiple countries in Nato such as Germany, France, U.K, and many others started sending aid to Ukraine. they sent weapons and heavy armory such as tanks.

President Biden visited Kyiv for the first time since the start of the war and showed the world that the United states stood with Ukraine during these times.

TIMELINE

Russian Invasion of Ukraine

MARCH

2023

talks have started to begin a ceasefire between the two countries and end the war but nothing is set in stone yet with Russia launching a missile that left one person dead and up to 45 people injured.

Russia stated that they are going to move tactical nuclear weapons to Ukraine's border with Belarus. this act startled Western powers with the threat of nuclear war. other nuclear powers such as the united states said that a nuclear strike in Ukraine will result in a counterstrike from the united states, the UK, and France.

APRIL

2023

this war has claimed the lives of 220,000 people and has greatly affected the lives of millions worldwide. this war will have lasting impacts on our global economy as well as global relations as a whole. because of this war, we saw that Russia is not as militarily powerful as we thought. the impact that this war will have on tactics will be lasting. Hopefully, this war will be coming to an end soon with peace talks being conducted by China.
